Ribbon cutting date TBD

NOTE: Next opportunity to submit grants will be in August (up to \$525,000)

3. Sculpture on the Move Review and Voting

Dana explained the draft process. 17 cities in this year's draft. 17 pieces selected in order of priority
Sculpture installation will be 2 years. \$1,000/year to retain the sculpture
Tom mentioned we can select more than 1 sculpture. Typically, we have 2 in the rotation.

Alan P brought up the idea of considering a purchase artwork that represents the city vs. renting
It was decided we will make this a topic for another meeting

Alan P brought up (as mentioned in the past) collaboration with our local businesses. As we decide on the pieces, it would be a good decision to partner with local corporations as they could be purchasing these items.

In March, Tom will have a PPT with pictures to show the locations available for the sculptures (though no location will be suggested until the sculpture has been selected as that will affect our recommendation)

4. Meeting Dates and Times Discussion

(November – March) will occur on Saturdays 8:15am
