Approval of Minutes:

- ♦ Approved September 2010 Minutes

Committee Report:

- ♦ **Bikeable Walkable Community Plan** - Committee Member, Mr. Dowdy discussed the plan and the need to move forward with signs. He has discussed this with Mr. Geisel.

Staff Report:

- 1. National Accreditation** - Mr. Jarvis noted that team will be arriving on Wednesday and the evaluation will go through Saturday. The reception would be Thursday evening and verified those that would be attending.
- 2. Program/Facilities/Construction Updates** - Mr. Jarvis gave an update on the Riparian Trail project. First section of the trail is anticipated to be completed by January. The Lydia Hill extension project has begun. The construction for the F Quad at the athletic complex is still moving. The dugouts and concession building are coming along.
- 3. Amphitheater Tour** – Mr. Jarvis lead the committee on a tour of the amphitheater site.

Additional Business:

- ♦ Mr. Jarvis asked to provide list of users groups for amphitheater to next meeting.
- ♦ Ms. Morgan announced that she would be moving and would not be able to continue to serve as Secretary.
- ♦ **CCE Updates** – Committee member, Darcy Capstick announced that a Family Eco-Festival will be held at St. Louis Community College-Wildwood on October 16. Single Stream Recycling will be available at Dierbergs from October 23 through 31. Also stated, the 14th Annual Recycling Day is November 13 at the Parks Administration and Maintenance Facility from 9am to noon.

Adjournment:
