II. Approval of August 23, 2018 minutes

- One correction to the minutes – on the last page, the YMCA table display dates should be 10-1 / 10-10.
- Lois Balance moved to approve the minutes as amended and Jeanne Clauson seconded.
- A voice vote was taken and passed unanimously.

III. Tree Selection for Earth Day - Geoff

Tom will send out tree suggestions. Suggest more shrubs/offer tree and shrub.

IV. Monsanto/Bayer Pollinator Proposal Letter

- Letter 9-19-18 – large planter plot of pollinators project, milkweed on large lots/pollinator demonstration beds, bee boxes.
- Tom is talking to a family in Kirkwood. They may donate or we could purchase bee hives/boxes at a reduced rate for the pollinator project with Bayer.

V. Recycle Letter from Republic

- Company coming out with recycle information for clean recycling push and we hope to get an article in the City Newsletter.
- Correct misinformation is a big part of the article along with getting a clear message out.
- Any additional questions sent to Tom.
- Ian is going to work on a power point presentation to educate Chesterfield residents on clean recycling and the future of recycling. Will bring it back to the committee at the next meeting for review.
- The Committee will look at a potential grant through the St. Louis County Health Department for fall 2019 which would go into effect in 2020.

VI. Lois/Ian - Two topics are multifamily dwelling unit recycling and the recycling power point presentation for residents which Ian would like to present to residents in the Council Chambers.

VII. Brochure Reviews need to be done on all brochures prior to the end of the year.

VIII. St. Louis County Grant Compost Update
