Kari Johnson

Guest:

Laura Schellenberg
Councilmember Barry Flaschbart

Approval of Minutes:

- ♦ Approved August 2010 Minutes

Committee Report:

- ♦ **Secretary** - Committee Member, Ms. Keesal discussed the need for the committee to have a secretary to take the minutes from the meetings.

Staff Report:

- 1. Amphitheater Presentation** - Mr. Geisel gave a power point presentation on the Amphitheater.
- 2. Amphitheater User Groups Brainstorm Session** - The committee members discussed and developed a list of various opportunities for the amphitheater. List is attached.
- 3. Program/Facilities/Construction Updates** - Mrs. Johnson stated that the Pool season was over and there were over 52,000 people in attendance. The K-9 Splash had 146 dogs participate. At the Athletic Complex, football, soccer and fall ball baseball were in full swing. Mrs. Johnson announced that the Adventure Challenge was cancelled due to low registration. Mr. Jarvis stated that the construction for the F Quad at the athletic complex is still moving. The dugouts were being constructed. Mr. Geisel stated that the Solar Thermal tubes were being installed. Informed committee of the positive effects of this system as it will heat the water used within City Hall as well as reduce the use of the gas boiler which in turn will save the City money.

Additional Business:

- ♦ The next meeting was to be held at Central Park for a tour of the Amphitheater.
- ♦ Darcy Capstick requested that Mr. Geisel give the amphitheater presentation at the Chesterfield Citizens for the Environment committee meeting which Thursday, October 28, 2010
- ♦ **CCE Updates** – Committee member, Darcy Capstick announced that the Green Team inducted its 51st member. Also stated, the annual recycle drive ended in August but is waiting on the final numbers on the amount that was recycled. October is energy awareness month and there will be a table set up at City Hall with literature and giveaways.
