Approval of June Minutes

Since this was an outdoor meeting, the approval of the June, 2016 minutes were tabled until the August, 2016 meeting.

Volunteer Signups

Tricia Whelan provided an updated volunteer schedule. Friends and neighbors are invited to volunteer also. Tricia Whelan asked the committee members to email her with any updated schedule changes.

Old Business

Tom McCarthy updated the committee on the Cricket presentation from the prior meeting. Tom McCarthy has received approval to put in a pad. The details are still being discussed and worked out and the council will decide the final outcome. They will start small and fill the demand for Cricket as needed.

New Business for Parks

Darcy discussed the 100th Anniversary of the Parks System for our country's and state's parks system

Walk into Railroad Park

The committee then did a walking tour of Railroad Park. Tom McCarthy discussed the access and easement issues as a bridge or long boardwalk would be needed. The goal of the walk is to inform the committee of where this property is and what the space looks like and the issues concerning funding and development. He discussed the possible types of park amenities that might be available for this location.

Adjournment

The meeting was adjourned at 9:30 a.m.
