I. Call to Order/Agenda

- A. **Attendance/Absences/Notices** *Sign-up sheets for Earth Day, Arbor Day and flyer dissemination were circulated.*
- B. **Minutes.** *Since the meeting, February's meeting minutes were emailed to Committee members. There were no proposed changes to them.*
- C. **E-Reports:** *A/W Republic, Abi/Bow (17.920 tons).* **E-Handouts:** *NEW Sustainable Gardening Flyer, Chesterfield's Earth Hour Flyer, 2/28/13 minutes.*

II. "Sustainability by Design" Projects

A. A/W Republic - Tony Lamantia and Suzanne Reed

- 1. **RBM Participation Rate Study Update** *Tony recommends waiting until his contract renewal with the City is completed in August before proceeding with a complete study of our City's recycling participation.*
- 2. **Single Stream 'How To' Recycling Update** *Susanne presented a very positive 4-minute video which highlights A/W Republic's sorting process and acceptable materials. We will put a link to this video on the City's website to give residents a better idea of what happens to their recycled items after they leave their curb. She also provided handouts which can give similar information to our residents.*
- 3. **HH Wet Organics Update** *Tony stated the necessary containers are not available at this time to provide this service.*
- 4. **Presentation of HEC TV DVD.**
- 5. **Recycle Unit Availability for ED – confirm?** *They will have their drive-thru unit available at Earth Day. They will also provide some recycle containers for the stage.*
- 6. **An additional item—***Tony reported that they are working diligently to resolve the problem at the Bridgeton landfill site; he distributed an information source for people to contact for more information..*

B. Multi-Family Dwelling Recycling? Discussion of Way Forward. *We will postpone further discussion of this item until June. However, it is a good idea to get an estimate of the number of residents that live in the multi-family dwelling units/buildings to assess the magnitude of the issue.*

C. Conservation Federation of Missouri Affiliate membership renewal vote. *We will renew our membership the cost of which is \$32.*

D. Grants

- 1. **MDOC Grant:** *Tentative planning meeting Monday, May 13, 1:30 PM at City Hall. Confirm date at April Meeting – Darcy, Libbey. Darcy reviewed our nine partners for this grant effort.*

2. SLED Grant: Forks & Corks compostable service ware - Libbey. *Kris is composing a grant request. We need to determine the appropriate disposal instruction method and provide educational information as to why this is important.*
- E. NWF CWH Team: 2012 Certificate - where posted? *Libbey will post and advise. Quarterly NWF National Telecom here Fri 4/5, 1:45 PM, Chesterfield Sites for Certifications?
